

APCM Electoral Roll Report 2024

After this year's revision the electoral roll now stands at 205, this is down by 4 on the previous year. I can report that 3 new people have joined the electoral roll. Sadly 7 members have died this year.

(Jean Ellerby, Carolyn Fletcher, Pat Kirk, Anne Lang, Bob Meadows, Christine Peters, Brenda Beaumont)

As usual, just a few points to consider:

- Please encourage each other to join, especially newcomers, it makes them officially part of our church and is very helpful when we need to contact church members. I feel we have had many more new people in our congregations this year, than the 3 who have joined the electoral roll. People can join the Electoral Roll at any point through the year. It is always good to check that you and your family are actually on the Roll.
- It also really helps with administration if you inform us of any change to your contact details.
- Please let us know personally in writing if you would like to come off the electoral roll. There are times when our children have grown and flown the nest, married and changed their name – this applies to them too.

Alison Walters

Parish Administrator & Electoral Roll Officer
